- 9AM & 11AM Easter Services
Breakfast served before
each service in lower hall
No Evening Service

As part of our commitment to learning together about the history of Indigenous-Settler relations on this land, particularly where the Christian Church has been involved in perpetuating injustice, we are beginning each service with words that remind us that the land in and around Vancouver was taken over, sold, and settled without the consent of the Coast Salish peoples who have always lived here and have historic title to it.
