

Morning Prayer

*Let the morning bring me word of your unfailing love,
for I have put my trust in you.
Psalm 143:8*

Blessed Trinity,
this morning I arise to Jesus' love for me,
that Christ is for me.

(Be still and aware of God's love for you)

This day I turn my face to look for and see
God's love, light and presence.
When my sight is clouded, help me.
Clear my vision so that I will live
from your merciful love.

In my work, my play, my distractions this day,
I pray to join your love in action.
May your blessing in my life be a blessing to my neighbour.

(Be still and aware of God's love for your neighbours)

Amen

*Love the Lord your God with all your heart
and with all your soul
and with all your strength
and with all your mind;
and love your neighbour as yourself.*
