Ordinary

Time

Grandview Church acknowledges that for thousands of years the Coast Salish peoples have walked gently on the unceded territories where we now live, work, worship and play. We seek a new relationship with the First Peoples here. One that is based in honour and respect and, especially in these days, seeks the well-being of all.

Community News

Anti-racism education and discussion group:

If you're interested in joining a group of white folks who are committed to the work of anti-racism and understanding our white privilege, get in touch with Erin Peters: erinlynnpeters@hotmail.com. The group will watch videos, read articles and books, and host online

discussion to further our understanding of this topic and discuss what kinds of actions/change we can participate in, in our own community and beyond. *The goal is for deep change within ourselves and our community in order to do the long term work of changing the systems of oppression in which we live and from which we benefit disproportionately.* People of colour are very welcome, but the intention is not to place the burden of educating white people on them.

JustCatering is offering a weekly meal service:
